Roger Clarke, Chair AUBURN TRANSFORMATION GARDEN COMMITTEE
REPORT SUCCESS!!

At the AMGA Fall Seminar, October 10, 2024, AMGA paid off its \$200,000 pledge to Auburn and completed the purchase of the naming rights to the **Transformation Garden Pedestrian Walkway**. The walkway name will be *Alabama Master Gardener Trail*.

There are a lot of people to thank for helping us get to this point: my committee (Cecilia Adams, Fletcher Harvey, Jim Harris and Skeeter Sims); current and prior AMGA presidents: Devonne Ellis and Myra Lassere; our own Kerry Smith; the AMGA Board of Directors for such great support and all the Master Gardener Associations who contributed to the cause. THANK YOU!

Autauga County Master Gardeners Association gives 10% of its annual plant sale gross to support this state-wide project.
